Getting here

By road:

Leave the M42 at J11, travel North West on the A444 towards Burton on Trent. After approximately four miles you approach a 30mph sign (with a speed camera!); take the next right into Moira Road (sign posted Moira with a brown fairground sign). Continue on this road for approximately one mile, and just after you travel under a brick bridge, turn left into Bath Yard (signposted Conkers Waterside and National Forest Company). As you enter Bath Yard, take the first left, we are the double fronted building on the left as you go up the driveway. There are visitors' parking spaces immediately in front of the building.

By bike:

The National Forest is a great destination for cyclist and arriving by bike has never been easier. We have bike racks for public use in the car park adjacent to the main entrance.

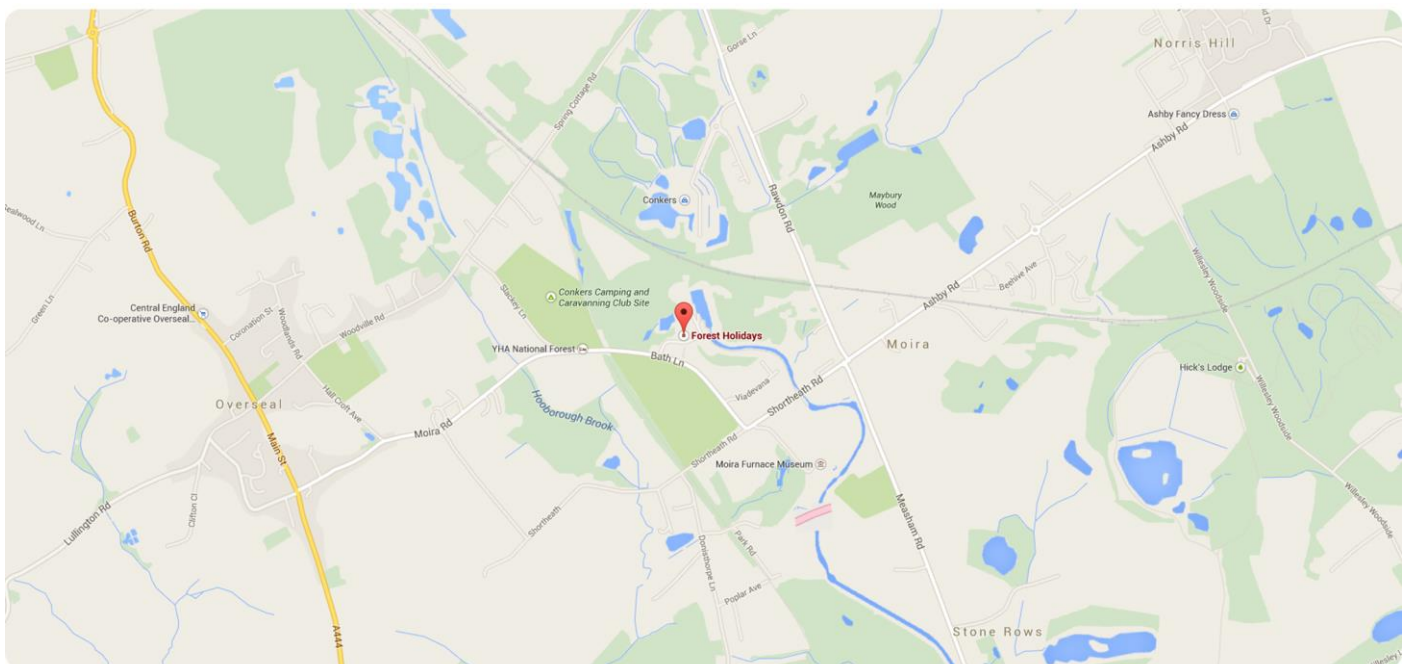

By rail:

The closest mainline train station is Burton-on-Trent. A taxi from a taxi can bring you the remaining 8 miles of the journey to the support centre in Moira.

By air:

Birmingham International Airport is a 45 min journey from our Head Office and East Midlands Airport is a 20 mins.
